### A list of Periodicals Shut Down In Iran Since 1995

*“Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive and impart information and ideas through any media, regardless of frontiers.”*

(Universal Declaration of Human Rights - Article 19)

According the official data regarding the serial publications, we can state that from the second of Khordad, 1376 (1997, 23 May), the publication life of these periodicals will continually be reduced dramatically. The following report includes some information about a number of periodicals which have been shut down from the beginning of 1995.
